

Old S.O.U.L. Entertainment is a Division of OLD SOUL MEDIA GROUP, a full service Marketing and Media Production Company. For over six years we have provided unparalleled diversity and freshness to the Indy music art and cultural Scene at Large. We continuously collaborate with music and fine artists, deejays, venues non-for-profits to provide events that entertain and educate. Local businesses and corporate clients have tapped our promotional resources, partners and expanding client base to make strengthen their brand and reaching a relevant crowd.

Our resources are now available to the public through our service offering. Let our knowledge, experience and marketing savvy make your next event a success. We will tailor your plan based on your budget and objectives.

Most of our services start with an initial consultation with you during that consultation we will establish the; who, what, when, where and why pertaining to your needs. After the initial consultation we will provide a contract outlining the cost, scope of services to be provided by OSMG. The Charts below contains a list of services and general pricing..... keep in mind that pricing may subject to change based on the scope of your needs.

Our service offering breaks down into three areas;

- Marketing, Promotions & Consultation [Al a Carte Services]
- Equipment Rental
- Sponsorship Packages for Individual Corporations that want to Sponsor Us
